## Autumn Blessings by Pastor Mallory

Autumn blessings, my friends and Happy (almost) New Year! A little over a month before we change out our calendars, the Christian liturgical calendar starts anew with the season of Advent, which begins the Sunday after Thanksgiving. There's a wisdom to celebrating the beginning of the new cycle a little off-kilter from the rest of the hustle and bustle of the holidays. It gives us the chance to stop, reflect, and renew ourselves before we barrel headlong into the busyness of the next few months.

Take a moment to think about where you were around Thanksgiving of last year. Where were we as a church? When we sit back and take stock, it's amazing how much can happen in the space of a year! As I write this, we are in the midst of our stewardship season, which is themed around the song We've Come This Far by Faith by Albert A. Goodson. The refrain is simple but profound:

We've come this far by faith  
 Leaning on our God  
 Trusting in the holy word  
 God's never failed us yet  
 Woah, we can't turn around  
 We've come this far by faith

Truly, we have come this far by faith – navigating a pandemic, dreaming big about what is possible for our future, a change in pastoral leadership, grief over the deaths of beloved people in our midst, welcoming new covenantal partners, and more. Through it all, it has been incredible to witness how we have learned and grown together and deepened our relationship with one another and with God. Your willingness to jump in, do what needs to be done, and breathe new life into our building, grounds, and the various ways the church functions has been noticed and I am so grateful for the ways each and every one of you have stewarded this faith community this year. And we won't be turning around, but heading into the next liturgical year trusting that the Spirit will guide and companion the next stages in our journey.

What do you need to leave behind in this turning of the liturgical calendar? What are you entering the next year with? Advent spends the four weeks before Christmas steeping us in some of the most important gifts of our faith: Hope, Love, Joy, and Peace. I can't think of a better way to kick off a year – here, there are no resolutions necessary, but only an openness to listen deeply to the Spirit and to receive the blessings that come with the turning of a new page. May these things nourish us as we journey onward, deepening as we go.

Together,  
Pastor Mallory

#### *Vista Grande's Vision Statement - adopted April 13, 2020*

*"We covenant together to imagine and live into a world where God's Kin-dom vision of human and planetary flourishing comes to pass through the work of love, justice, peace, equality, and extravagant hospitality. We envision nothing less than a world restored to wholeness, wellness, joy, and gratitude for all of God's Creation."*

### Stewardship

The Stewardship Ministry Team adopted the theme of “This Far by Faith” for our campaign this year. Through the weekly sermons and special guest speakers we are exploring our stewardship over various things like animals, resources, traditions, our soul, Mother Earth, talents, and finances. Pledge cards have been mailed to all Covenantal Partners and are available to anyone who wishes. These pledge cards are a great help to the various ministry teams and financial folks in showing us where you would like to serve and what you anticipate your financial contributions to be. Pledges aren’t binding, if you should have a change of circumstances, but they do help us plan for the future. We are hoping to have all pledges in by November 15<sup>th</sup> so we can celebrate our commitment to the future at our Thanksgiving meal on November 20<sup>th</sup>.

Excerpt from our Stewardship Letter 2022

“The last three years at Vista Grande have been marked with unprecedented upheaval. The COVID-19 pandemic, major visioning conversations about our building and land, the releasing of a beloved pastor to the next chapter of her ministry, and both communal and personal losses have changed our circumstances. What these changes have not done, though, is altered what it means to *be* church. Through everything, we are still committed to following The Way of Jesus and seeking love and justice in all things. “

## Mission

### Vision for Mission

Mission/Outreach is an integral part of VGUCC ministries. We will pursue opportunities that are **reflective of Justice and Peace**, denominational and ecumenical, local and global, participatory and financial. Our mission and outreach will make a difference – empowering recipients and inspiring givers to act in the spirit of Christ; exemplifying the 3 Great Loves: Love of Neighbor; Love of Children; Love of Creation.

### Family Promise

**Family Promise has suffered from low donations and the lack of a day house. The program has had to do a major shift and is now in recovery mode. The church rotation is back up and running after two years of changes due to Covid!**

**FAMILY PROMISE HAS A SHORT TERM DAY HOUSE!!!**

First United Methodist Church downtown has an awesome space that they can use until they get things sorted out for the Wesley House (another possibility). They will need some volunteer drivers to help families without transportation from the Day House to the host congregation.

**Los Pobres** - We'll collect \$25 gift cards to Walmart. You'll be able to add them to the tree Nov 27. This just in ... Jud and Maggie Jusell has offered to make the run to Los Pobres with items that have been dropped off at Vista Grande.

### Inside Out Youth Services (IOYS)

**“Every day we see the impact of your generosity in the LGBTQIA2+ youth space. Young people from all walks of life come to our center and find solace and resources your giving provides. Young people transform in t their most confident and true self when they are among people who understand and affirm them. Thanks for your donations that help us keep our food pantry stocked. Your donations also bring peer support programming to our center and outreach to the community.”**

Nico is coming to Vista Grande on Nov 20. IOYS is putting together a “gift registry” which we'll add ornaments to the tree. Nico will be “Nico”las at their holiday party.

## Mission (continued)

### One Nation Walking Together

Throughout the year, One Nation Walking Together facilitates a variety of programs and services which collectively aim to advance our mission of making a positive difference in the lives of Native Americans. During Advent, we'll be .... Assembling Elder Boxes. A list of suggested items will be sent out in the e-blast. Come on Nov 26 at 10 a.m. to help put the boxes together.

### Spreading Sandwiches and Smiles (SS&S)

The second Sunday of each month finds several volunteers bringing sandwiches (and other snacks) to Dorchester Park to help feed the homeless population. This mission isn't without a challenge from the city. More and more, areas get chained off to try and discourage folks from hanging out. That doesn't help feed the hungry. So our group still goes there every 2<sup>nd</sup> Sunday. For the mission tree, they would like hand warmers, hats and gloves for adult men and women.

### The Chinook Center

Samantha Christianson visited Vista Grande on October 23 to share a thank you and how we can best serve The People's Pantry.

Free bags of groceries are assembled each week for folks who are in need. They serve all zip codes. Every week, the volunteers assemble 50-60 bags of groceries. They strive to have 3 full meals in each bag. The number of folks who benefit from this mission averages 500-600 people per month. The Chinook Center partners with Care and Share.

Several folks from Vista Grande help deliver groceries to the folks who don't have transportation.
